

**Town of Fair Haven**  
**Banners on Park Signposts**

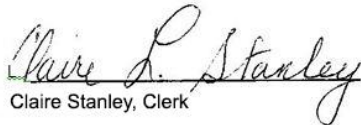

The Fair Haven Selectboard establishes this policy as replacement of the "*Policy for Use of Banners over Main Street*" which, as a result, is repealed.

Pursuant to Fair Haven Zoning Permit No. P2008-18, requests for local event advertising banners to be displayed on the two sets of Park signposts will be reviewed and approved by the Town Manager before installation. Banners will be displayed for no longer than two (2) weeks and must be removed within 48 hours of the close of the advertised event.

This policy is adopted by the Town of Fair Haven Selectboard on the 15th day of April, 2013.
