

Town of Fair Haven Records Management Policy & Procedure

1. Purpose

All Vermont public bodies are responsible for creating, managing, and disposing of records in accordance with State and Federal laws and regulations governing recordkeeping and record retention. This policy intends to ensure that all of Fair Haven employees and representatives conform to applicable laws and regulations regarding the management and disposition of the Town of Fair Haven's (Town's) records.

2. Scope

All Town records are public records as defined by 1 VSA §317 as, *"...any written or recorded information, regardless of physical form or characteristics, which is produced or acquired in the course of public agency business."*

3. Policy Statement

It is the Town's policy to comply with 1 VSA Chapter 5, Subchapter 3 (referred to as *"Vermont's Public Records Laws"*). All written or recorded information, regardless of physical form or characteristics, produced or acquired in the course of business shall be managed in accordance with record schedules approved by the State Archivist.

4. Relevant Laws, Regulations, Standards, and Procedures:

1. 1 VSA §315-320: Access to Public Records, including 1 VSA §317a: Disposition of Public Records
2. 3 VSA §218: Agency/Department Records Management Program
3. 3 VSA §117: Vermont State Archives and Records Administration
4. Archives and Records Management Handbook issued by VSARA

5. General Requirements

The Town takes reasonable precautions to keep its records authentic and reliable. Selectboard members and staff strive to ensure that records are safe from alteration, damage, and theft by implementing best practices and State records management standards.

All records must be retained in the legal custody of the Town until retention requirements established by VSARA record schedule have been met. Under no circumstances shall a Town representative or staff, *"...destroy, give away, sell, discard, or damage any record or records in his or her charge, unless specifically authorized by law or under a record schedule approved by the state archivist pursuant to 3 VSA §117{a}{5}."*

Unless transferred into the State Archives according to a record schedule, the Town maintains legal custody of its records, regardless of format and physical location. The Town's records shall be accessible and retrievable in a timely manner for Town representatives and staff, other government employees, and the public. Decisions to deny or allow access to any records ultimately reside with the Selectboard and the Town Manager. If a record is exempt from public access, procedures set forth in 1 VSA §315-320 shall be followed.

If the Town is served with a discovery request for records, or any representative of Fair Haven or staff becomes aware of pending litigation, investigation, claim, negotiation, audit, or other extenuating circumstance, the Town representative or staff shall take necessary steps to immediately suspend destruction of any related records and data.
