Other-

Phil brought a form for *Administrative Changes* which he had found and felt was a good template for Fair Haven to use when the Zoning Bylaws are updated and he is allowed to do such changes. The form allows for the review and signature of the Planning Commission Chairman for any proposed minor changes of a site plan review, or in the case of a Zoning Board of Adjustment decision, the review and signature of the Zoning Board Chairman. The Commissioners agreed it was a good idea to use a form.

Zoning Regulation update- Phil told the Commission that he had spoken to Steve Shield about the changes to the Zoning map. Hopefully it will be ready for the August 19, 2020 meeting.

Meeting Adjourned 7:12 P.M.

Next scheduled meeting 7:00 P.M., Wednesday August 19, 2020

Respectfully Submitted
Danielle L. Roberts, Clerk
