

UNTOWN OF FAIR HAVEN, VERMONT

Selectboard, Water & Sewer Commissioners, Liquor Commissioners, Cemetery Commissioners
SPECIAL MEETING -- Friday, August 23, 2024 -- 9:30 PM

UNAPPROVED MINUTES

Members Present: Glen Traverse, Bob Richards, Rich Greenough

Others Present: Town Manager Joe Gunter, Sharon Kendall, Glenn Heitsmith Paul Laramie,

Call to Order: Chairman Bob Richards called the meeting to order at 9:30 a.m.

Meeting to discuss reestablishing Munger Rd. as a Class 4 Road:

Town Manager Gunter started by describing the reason the meeting was held and the process for returning Munger Rd back to a class 4 road. Mr. Laramie mentioned that The Munger Family used to live on the hill north of the air park and the road is on the 1784 DeBeers map.

Ms. Kendall asked what the width of the road was going to be since she noted that two cars would have a difficult time passing if the road is too narrow and it was mentioned that Mr. Sheldon will bring his farm equipment down Munger and his equipment is very wide and will require space to get down the road.

There was general discussion about the dog park, the road grindings, parking and future development at the airport.

There was discussion and concern about people shooting guns in and around the airport. Mr. Richards noted that historically this is where some residents sited their guns before hunting season.

It was mentioned that a solar project was proposed on land adjoining Munger Rd. and that there is a proposal to have the solar project improve Munger Rd.

Mr. Traverse wanted to let the group know that Mr. Frank Faryniarz is pro Class 4 road.

Mr. Greenough made a motion to **adjourn**; seconded by Mr. Traverse. Meeting adjourned at 10:04am

Respectfully submitted: Joseph Gunter

Glen Traverse, Board Clerk
